

A5 - Assignment Five

You have to **choose any one design** from the given designs and create it exactly the same.

Instructions

You have been given 3 design images.

- Choose any one design from them.
- **Click on the image.**
- You will be redirected to the live link.
- Check the complete project carefully.
- Create the design exactly the same using:
 - HTML
 - CSS
- Add proper hover effects and smooth interactions.

Final Submission Rule

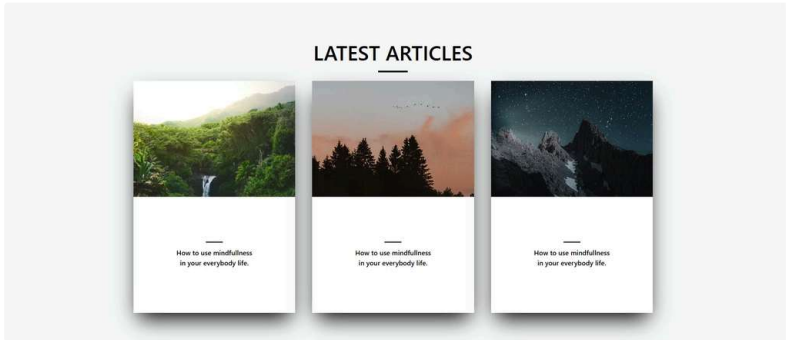

You have only 3 days to complete the project.

Use of GPT is prohibited. Do not use GPT for coding parts. We will check everything, so do not make it carelessly.

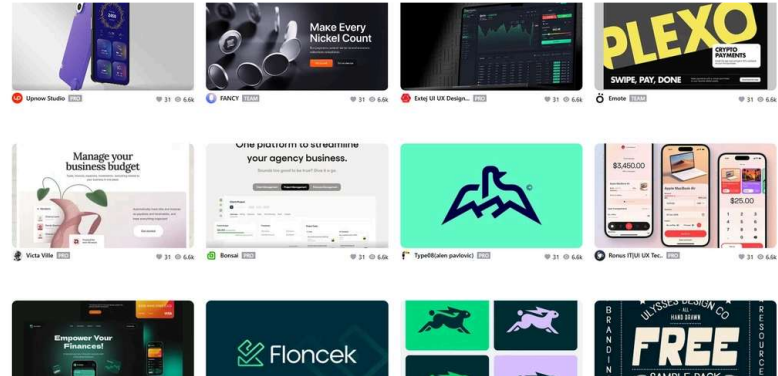

Designs: -

Choose any One design from the provided references.

1. Easy

2. Medium

3. Hard
